

IT'S TIME FOR SPRING CLEANING ON EMERSON!

On April 19th at 2:30AM one of our neighbors was shot once in the chest in the 1700 block of Emerson on the way home from a night out with friends. This is the third violent incident in our block in just over a year.

Neighborhood awareness and concern for safety has been growing. We are asking for your help!

If you see anyone suspicious, loitering in vehicles or possible drug dealing... **Call the Police.** They want to help us but we have to do our part. The police dispatch number is **720-913-2000** or **911** in an emergency. Program it into your cell phone so you always have it handy. You can remain anonymous and don't be afraid to call often.

The only way we can solve these problems is by working together and sending the message that these violent crimes won't be tolerated.
